

**IMPROMPTU ROSÉ**

Pink wine for aging, D.O.P. Valencia

**Region**

D.O.P. Valencia. Continental climate influenced by the Mediterranean. Clay limestone soil.

**Grape Variety**

Pinot Noir 100%.

**Wine Making**

A selection is made of the best grapes from our low yielding Pinot Noir vines, with a vine density of 4000 plants per hectare.

The grapes are collected in special boxes of 15kg. We only harvest in the morning in order to maintain the grapes at a low temperature until they get to the winery. Once at the winery the full boxes are put into fridges where the grapes are left for three days at a temperature of -10°C.

We make a case by case selection and then destem and crush the bunches of grapes. The resulting pulp is transferred to a refrigerated stainless steel tank where it is cold maceration on skins, 0°C, for about 2 hours.

After this the grapes are transferred to the pneumatic press for a gentle pressing at no more than 0.5 bars. The must from the press is left to decant during 24 hours following which we only ferment the clean must in new American oak barrels, each one with a capacity of 400L, at a temperature of 16°C. When the fermentation has finished the wine is left on its lees until bottled.

**Serving Suggestions**

Serve at a temperature of between 8-10°C. Any small particles or fine sediment that may be found in this wine is completely natural as we have made the wine with the minimum filtration possible so that you can fully appreciate the quality of the wine.

**Tasting Note**

**Colour:** Elegant pale pink gold.

**Aroma:** Pronounced aromas of red and tropical fruits with a subtle touch of vanilla.

**Taste:** Intense, mouth filling, good acidity with an alter taste of red fruit and light dairy flavours in the final taste.

**Pairing**

Tea pastes, rice with vegetables and chicken, soft cheese, omelette or fruit salad.
